Build with us to provide affordable housing opportunities in Centre County.

You've chosen to make a difference in our local community by raising funds through HouseFest. What's your next step?

First, set an ambitious fundraising goal – how many lives do you want to change?

- \$100 can buy a window for a new home
- \$250 can buy a front door
- \$500 can buy a tub/shower surround
- \$1,000 can provide a new stove and refrigerator

Next, set up your own online fundraising page. It's easy! Just go to www.habitatgcc.org and click the HouseFest image.

Then, ASK for donations to support your HouseFest efforts! Email contacts. Call friends. Ask family and coworkers for donations. *The more people you ask, the more money you will raise.* You are changing lives and giving the people you ask a chance to do the same.

Spread the word through Facebook, Twitter and other social media. Tell the world what you're doing – *and why.*
